

National Hui

4th - 6th November 2014

Tapu Te Ranga Marae

Island Bay, Wellington

Enterprising Communities: Innovation, change and Social Enterprise

You are warmly invited to the 2014 Community Recycling Network National Hui.

There are big challenges and opportunities ahead in the world of resource recovery. What role do community recyclers have in creating positive change and what are some of the tools out there that can help?

Come join us for two days of discussion, debate, learning and fun.

Speakers include

Juliette Arnott, Rekindle on Deconstruction and Reuse

Billy Matheson, Auckland Council on Social Enterprise

Jeff Matthews on Rural Waste Practices

Di Jennings on Community Economic Development in New Zealand

Workshops topics include:

The National Food Waste Prevention Project; Kai Conscious Waiheke; Community Enterprise and Environmental Networks; Building a Resource Recovery Network: Focus on Auckland; Sustainable Coastlines; and Electronic Waste in NZ: An Update

Tour: An optional tour of the three Mana Recovery sites in Porirua, including Trash Palace, will take place before the hui on the morning of Tuesday 4th November.
